**Round the following to the nearest ten-thousand.**

$584,574 = \underline{580,000}$

$49,078 = \underline{50,000}$

$370,085 = \underline{370,000}$

$548,218 = \underline{550,000}$

$492,916 = \underline{490,000}$

$408,745 = \underline{410,000}$

$77,518 = \underline{80,000}$

$666,348 = \underline{670,000}$

$171,793 = \underline{170,000}$

$616,524 = \underline{620,000}$

$703,424 = \underline{700,000}$

$197,104 = \underline{200,000}$

$790,882 = \underline{790,000}$

$369,080 = \underline{370,000}$

$437,605 = \underline{440,000}$

$281,756 = \underline{280,000}$

$46,824 = \underline{50,000}$

$416,045 = \underline{420,000}$

$697,312 = \underline{700,000}$

$760,761 = \underline{760,000}$

$444,898 = \underline{440,000}$

$129,089 = \underline{130,000}$

$451,910 = \underline{450,000}$

$180,624 = \underline{180,000}$

$91,231 = \underline{90,000}$

$219,060 = \underline{220,000}$

$650,061 = \underline{650,000}$

$384,218 = \underline{380,000}$

$175,755 = \underline{180,000}$

$125,435 = \underline{130,000}$

$184,899 = \underline{180,000}$

$669,218 = \underline{670,000}$

$363,608 = \underline{360,000}$
