
Round the following to the nearest ten-thousand.

$449,600 = \underline{450,000}$

$418,049 = \underline{420,000}$

$53,906 = \underline{50,000}$

$290,372 = \underline{290,000}$

$112,528 = \underline{110,000}$

$430,009 = \underline{430,000}$

$346,795 = \underline{350,000}$

$354,193 = \underline{350,000}$

$265,431 = \underline{270,000}$

$573,084 = \underline{570,000}$

$445,831 = \underline{450,000}$

$794,670 = \underline{790,000}$

$338,558 = \underline{340,000}$

$222,421 = \underline{220,000}$

$331,137 = \underline{330,000}$

$307,089 = \underline{310,000}$

$649,824 = \underline{650,000}$

$198,616 = \underline{200,000}$

$525,710 = \underline{530,000}$

$712,741 = \underline{710,000}$

$40,362 = \underline{40,000}$

$398,622 = \underline{400,000}$

$141,325 = \underline{140,000}$

$393,257 = \underline{390,000}$

$686,196 = \underline{690,000}$

$56,230 = \underline{60,000}$

$567,645 = \underline{570,000}$

$224,907 = \underline{220,000}$

$177,385 = \underline{180,000}$

$420,618 = \underline{420,000}$

$28,009 = \underline{30,000}$

$252,962 = \underline{250,000}$

$385,033 = \underline{390,000}$
